• NEVER shoot at hard surfaces, water or anything else that may cause a ricochet.
• This airsoft gun may only be used where your local laws permit or at shooting ranges allowed by the law, and only if the ammunition does not travel further than the shooting area. Keep in mind the maximum range of the ammunition. ALWAYS abide by laws and regulations that apply to airsoft guns.
• ALWAYS check to see if the airsoft gun is ON “SAFE” and unloaded when getting it from another person or from storage.
• ALWAYS keep your finger off the trigger and away from the trigger guard until ready to shoot. You and others with you should ALWAYS wear safety shooting glasses to protect your eyes.
• If your reading or prescription glasses are not certified safety glasses, make sure you wear shooting glasses over your regular glasses.
• NEVER load your airsoft gun until you’re ready to shoot and it’s safe to do so.
• ALWAYS use the correct caliber ammunition that is suitable for the airsoft gun. Use ONLY ammunition designed for this airsoft gun.
• NEVER reuse ammunition.
• ALWAYS store the airsoft gun with the safety ON “SAFE” - unloaded, uncocked, separated from the ammunition, out of the reach of children, and in a secure location to prevent unauthorized people from accessing it.
• DO NOT attempt to disassemble or tamper with the airsoft gun.
• ALWAYS store this airsoft gun in a safe location.
• ALWAYS store ammunition separately from the gun.
• ALWAYS unload the airsoft gun before giving it to someone else.
• ALWAYS read and follow the manufacturer’s manual and instructions.
• NEVER let a person who has not completely read this manual use this product.

Perform routine inspection and maintenance, including:
1. Modification of the gun mechanism may cause a gun to malfunction and tampering with a gun may make it unsafe to use.
2. Any change in the performance, such as lowered trigger force and shortened trigger travel, indicates a possible wear and that such guns should be inspected, replaced, or properly repaired, and repairs should only be made by qualified personnel.
3. Check any gun that has been dropped to ensure that its function has not been affected.

LIMITED 30 DAY WARRANTY

This product is warranted to the retail consumer for 30 days from date of retail purchase against defects in material and workmanship and is transferrable.

WHAT IS COVERED
Replacement parts and labor. Transportation charges to consumer for repaired product.

WHAT IS NOT COVERED
Transportation charges to Air Venturi for product. Damages caused by abuse or failure to perform normal maintenance. Any other expense. CONSEQUENTIAL DAMAGES, INCIDENTAL DAMAGES, OR INCIDENTAL EXPENSES, INCLUDING DAMAGE TO PROPERTY. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Warranty claims: Call Air Venturi at 216-220-1190 before returning any product.

Implied warranties: Any implied warranties, including the implied warranties of merchantability and fitness for a particular purpose, are limited in duration to one year from date of retail purchase.

NOTE: Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. To the extent any provision of this warranty is prohibited by federal, state or municipal law which cannot be preempted, it shall not be applicable. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state and country to country. Illustrations and photographs are for information purposes only and may not show the exact model purchased.

The warranty shall be invalid if the Airgun:
• Has been incorrectly disassembled, reassembled or modified.
• Has been fitted with non-Air Venturi parts.
• Has been abused, misused or improperly stored.
• Original purchase receipt cannot be presented.

Air Venturi, 5135 Nairn Parkway, Cleveland, OH 44139
The TSD Spring Airsoft Revolver is a high-quality spring action, single-shot revolver. The user manual will ensure you have the best experience possible with your new airsoft revolver. When using this product, please pay extra attention to your surroundings and playing environment. Please read the Warnings before proceeding. The manufacturer will not hold any responsibilities for any accident, or malfunction which is caused by improper handling, illegal conversion, alteration or disassembly of this product. Please read the User Manual thoroughly before operation.

**Components**

**Instructions**

1. Push the latch forward, then turn out the cylinder, as shown.

2. Load the BB into the back of the shells until the BB is flush. Insert only 1 BB per shell.

3. After loading all 6 shells, return to cylinder and close cylinder until it locks back into position.

4. Cock the hammer until locked. Gun is now ready to fire. Pull trigger to fire.

5. After exhausting the 6 rounds, pull out the cylinder and use the extractor rod to remove the shells.

**SAFETY:** When the safety latch is pushed back, the safety is engaged and the hammer cannot be cocked.

**IMPORTANT:** Do not force cock the hammer when the safety is engaged as this may cause damage to your gun.

**Rules of Safe Shooting**

- **NEVER** point the airsoft gun at any person.
- **NEVER** point the airsoft gun at anything you do not intend to shoot.
- **ALWAYS** treat the airsoft gun as if it was loaded and handle it with the same respect you would a firearm.
- **ALWAYS** aim in a SAFE DIRECTION. **ALWAYS** keep the muzzle pointed in a SAFE DIRECTION.
- **NEVER** put any part of your hand over the muzzle.
- **ALWAYS** keep the airsoft gun on "SAFE" until you are ready to shoot in a SAFE DIRECTION.
- **Check** behind and beyond your target to be certain you have a safe backstop and that no person or property can be endangered.
- **Place** the backstop in a location that will be safe should the backstop fail.
- **Replace** the backstop if it becomes worn.
- **ALWAYS** be sure of your target and what lies beyond it in case you miss.
