**SAFETY RULES**

- Always use eye protection.
- Do not install a magazine which contains ammunition into the gun until you decide not to shoot, either manually remove the ammunition from the magazine and then decide not to shoot. (Note 2)
- Do not shoot at targets which allow ricochets or deflections.
- Always be certain of what is behind your target. Make sure your target does not have other people or pets behind them.
- Think first, shoot second.
- Always use hearing protection.
- Never use drugs or alcohol while handling this product.
- The air pistol and pellets should be kept in separate and secured places.
- Keep the pistol in the ON SAFE position until you are actually ready to shoot.
- The air pistol should never be carried inside a vehicle.
- The CO2 bottle should be removed from the air pistol when it is not in use or for a long period of time, we recommend removing the CO2 bottle.
- Take the wheel out:
  - Push Safety back to the “S” (Safe) position.
