This year's Airgun Show will coincide, on Saturday, with the big 500 table firearm show. There will be NO buyer entrance fee to the Airgun Show; however, those wishing to see the firearm show will still be required to purchase a ticket into that show. The Roanoke Gun Show (firearms show) is one of the largest gun shows in the area and attracts 4,000-5,000 buyers, so Airgun Show table holders should see a great deal more traffic as the gun show attendees come to see what we are showing. Again, there is only one fee for both shows. I am negotiating with the gun show promoter to allow Airgun Show table holders free admission to the firearm show. The firearm show continues on Saturday until 5:00 PM, so Airgun Show hours will be extended until 5:00 PM to take advantage of the traffic.

*Since I have been a bit under the weather, this year's show will be put on by the exhibitors. Many thanks to those who volunteered. It's much appreciated!*

### TABLES

Both individual enthusiasts/collectors and manufacturers'/corporate representatives are encouraged to display their collections and products.

Tables are approximately 2 1/2' x 8'. Table space is limited. Once the exhibit is filled, late entrants cannot be accommodated. See rates at right.

Spectators are encouraged to rent a table, as this will give them free admission and a table to display favorite items from their collection. (Airguns are easily transported via airlines.)

### SETUP

Exhibitors can unload their vehicles at the ramp just behind the hall.

Dealer-only hours are Friday, 7:00 a.m. - 12:00 noon. (Non-exhibitors may enter during this time as well, for an Early Buyer's Fee of \$50.)

The show hours for the public are Friday, 12:00 noon - 7:00 p.m. and Saturday, 9:00 a.m. - 5:00 p.m., extended to take advantage of the Gun Show traffic next door to our exhibit.

### REGULATIONS

Tables not claimed by the original lessor by 12:00 noon on Saturday revert to the Expo
